**TALKING POINTS:**

Hello! I am (Insert Name) with (Insert School Name/Location).

I am calling to voice my concern over HB4617 and its impact on my school.

[HB4617](#) will have a devastating impact on our industry/school and likely lead to closures across the state.

[HB4617](#) would introduce a variety of potential consumer harms. [HB4617](#) drastically reduces the hours required for licensure and does not require hands-on training to be supervised or taught by an Illinois cosmetology instructor who is licensed under Illinois law and familiar with Illinois laws and regulations.

As the number of beauty professionals continues to rise, industry regulation is more important than ever to protect Illinois consumers! **I urge you to reconsider [HB4617](#)! We oppose [HB4617](#)!**
